*American Society for Clinical Laboratory Science of Central New England
Massachusetts - New Hampshire - Rhode Island- Vermont*

75th Clinical Laboratory Science Convention & Exhibits

March 13 & 14, 2023

At the Crowne Plaza Hotel in Warwick, RI

On behalf of the Clinical Laboratory Society of Central New England we invite you to participate in our educational event. Your sponsorship allows us to provide informational and networking opportunities to a large and broad audience of laboratory professionals.

In 2022 our meeting had 25 exhibits booths, over 30 sponsored forums and more than 200 attendees including laboratory managers, administrators, supervisors, Medical Laboratory Scientists, Technicians and students. To maintain the high quality and relevance of this annual convention we ensure a good value for our laboratory professionals, sponsors and exhibitors. We provide high quality speakers on current laboratory topics and encourage networking opportunities throughout the entire two-day event. Vendors and Sponsors are recognized with signage and announcements in our program and during the meeting (when the information is available before the printing deadlines).

We are *very excited* to invite you to the Crowne Plaza in Warwick RI, which is conveniently located with exceptional facilities and services.

Our Exhibits booth fee of \$975 includes exhibitors lunch, four (4) one day registration passes for your customers and Wi-Fi access in the Exhibits Hall.

Please return your registration by February 20, 2023 to ensure complete signage.

You can register and pay online or return a completed registration form with a check payable to ASCLS/CNE Annual Convention. (CLS/CNE TAX ID# 04-6109337) :
