

ASCLS-CNE 75th Clinical Laboratory Science Convention
2023 Announcement

On Behalf of the American Society for Clinical laboratory Science of Central New England we invite you to participate in our 74th Clinical Laboratory Science Convention to be held on

March 13 and March 14, 2023

at the

Crowne Plaza, 801 Greenwich Ave in Warwick RI.

We are happy to provide an in-person opportunity to attend an educational 2-day event for our laboratory professionals including the opportunity to obtain **28 P.A.C.E. credits** covering multiple disciplines of laboratory science along with networking opportunities, all of which we could not do without the support of our vendors and sponsors.

Sessions will run from 9am to 4pm including an Opening Keynote on Monday at 9am and a Closing Keynote on Tuesday at 3pm.

We hope you will join us for our annual Vender Reception on Monday from 4pm to 5pm.

Last year we transitioned back to a Face-to-Face conference opportunity and was very pleased with the attendance. This year we hope to surpass our 2022 attendee counts and need your help to accomplish that! We hope you will take advantage of this local educational opportunity in Warwick RI.

On Behalf of the planning committee, thank you for your continued support.

Please visit ASCLS-CNE for more information.

Sincerely,

Leslie Martineau, MHA, MS.MT(ASCP)Sc
ASCLS-CNE Past President and General Chair
